Mission Statement

The John Gastley Scholarship Foundation endeavors to honor the memory of a coach, teacher, classmate, teammate, businessman, friend, husband, father and grandfather- John Gastley through the establishment of a fund raising mechanism to provide financial support for students to attend Delone Catholic High School.

This scholarship will be Special. It is special in that it provides for full tuition for each selected student for their 4 year career at Delone. A new recipient will be selected each year.

We intend to make this Scholarship Foundation Permanent. To accomplish this objective we must raise funds well above the annual required expenditure so that the principal amount held becomes self sustaining.
