November 12, 2021

Hello,

Thank you for your interest in The John Gastley Scholarship Foundation. We invite you to apply for The John Gastley Scholarship to attend four years at Delone Catholic High School. The scholarship is available to any 8th Grade Student from our regional parish communities to promote the joint mission of Delone Catholic and TJGSF; to inspire students to be engaged leaders in our community and "Doers of the Word".

We look forward to learning about your achievements to date; please think back on community involvement, school activities and anything else that helps us get to know you, your interests and your goals. Our evaluation process includes a review of those experiences, of academic performance, personal references and an in-person interview.

The John Gastley Scholarship Foundation honors a man who spent most of his life at Delone, serving as a student-athlete with records that stand today, as a teacher, and as a coach. Coach Gastley lead several undefeated teams and was consistently recognized as Coach of the Year. He was known for developing leaders, which caught the recognition of legendary Penn State Coach, Joe Paterno who said Delone was a "Coach factory" as it had an inordinate number of players go on to teach/coach others. His underlying ability was to take stock of his player assets, put them where they could have best effect, and through teamwork apply that talent to the goal. As with all dedicated coaches, the sacrifice of his family that allowed him to lead others is recognized through the efforts of this Foundation.

The John Gastley Scholarship Foundation is proud of our scholarship recipients, they have carried on our mission and continue to challenge their peers to reach for success. We look forward to expanding our group each year with dynamic and visionary young people. Please look into attending one of our upcoming events to learn more about the wonderful members of our organization.

Thank you for taking the time to learn about our Foundation and our goals for the youth in our community. We look forward receiving your application.

Sincerely,

The John Gastley Scholarship Foundation Board of Directors
